Section A: "Senior" SHIRLEY Men Associated with Barren and Scott Counties, KY

The purpose of providing a review of this material is to stimulate some thought, and more importantly, some in-depth research of original records (such as court records, land records, military pension records, church records, etc.) which could identify several "unattached" SHIRLEYs who were connected with Barren and/or Scott County, Kentucky. The identification of these unattached SHIRLEYs is believed to be important because it could put researchers closer to the trail of the earlier generations of SHIRLEYs. The material presented is not new. Many of you have seen much of it before. It is merely an attempt to summarize what we do know about this group and what we need to know.

For purposes of this review several "senior" SHIRLEY men (not necessarily brothers) who resided in Barren and/or Scott County, Kentucky are identified with the number one (1) following their names. SHIRLEYs of the next generation are designated (2), the next generation (3) and so on. There are those (as reported in the "Shirley News") that have claimed to have attached some of the "unattached" SHIRLEYs described here. However, I have seen no real proof at all which establishes the identity of their parents. The following "senior" SHIRLEY (designated as generation 1) men (at one time residents of Scott and/or Barren Co., Ky.) have been included:

James SHIRLEY (1) d. 1801 Barren Co, Ky (continued)

Information from a biographical sketch referring to a daughter of James SHIRLEY (1) d. 1801 suggests that James (1) was a veteran of the Revolutionary War.

From: Kentucky Genealogy and Biographies, Vol. 2, p. 82
(Metcalf Co, Ky - formerly Barren Co)
Biographical sketch on Judge David Faulkner, son of David FAULKNER, Sr. and Permelia SHIRLEY (2), daughter of James (1) d. 1801.

See attached photocopy of sketch

This sketch refers to the father of Permelia (SHIRLEY) FAULKNER as James SHIRLEY who was described as a Revolutionary War veteran. This is not proof, of course, that James SHIRLEY (1) was a Rev. War vet. I understand that there are two or more James SHIRLEYs listed as Rev. War soldiers (with very little information to identify the family group to which each belongs).

2. Susey (2) ("Sukey") m. Benjamin SMITH
3. Amey (2) apparently unmarried as of year 1796.

Richard SHIRLEY (1) d. 1796 (continued)

Sources of Information: The estate settlement (no will) on Richard (1) (Scott Co, Ky, Will Book A, Pages 9, 25, 36, 37) names only three daughters (above) and the widow Dorcas.

Regarding the estate of Richard SHIRLEY (1) deceased:
July Court 1796 - Thomas SHIRLEY named administrator.
June Court 1797 - Inventory and appraisement of the estate.
October 1797 (?)- Settlement of the estate.

Note. Elwood SHIRLEY (of Lexington, Ky) once wrote to me (in regard to the estate settlement of Richard SHIRLEY (1) d. 1796, Scott Co, Ky) that a large proportion of the estate value was left over after the three daughters and the widow Dorcas had been given their shares. This "Balance as per Contra" (as it was termed in the settlement papers) was enough for several other heirs to have shares. As Elwood wrote, perhaps there were other heirs, either underage children or heirs out-of-state, etc. Neither Elwood SHIRLEY nor I have been able to locate any further settlement documents regarding the estate of Richard (1) d. 1796.

As you will recall, the Richard SHIRLEY enumerated in the 1790 U.S. Census of Abbeville Co. S.C. (96 District) had quite a large household, including young males. If this is the same Richard who migrated to Scott Co, Ky 1790's, it is quite possible there were underage sons at the time of Richard's (1) death in 1796. However, all of this is circumstantial evidence and only suggests that Richard (1) d. 1796 had sons. If they existed and who the sons were are issues that remain to be proven.

Regarding this same issue - - articles in the "Shirley News" (publication of the "Shirley Assiciation") have erroneously stated (at least as far as I know) that there were in fact other heirs of Richard SHIRLEY (1) d. 1796 Scott Co, Ky

2/18/86

Mr. & Mrs. Kenneth Shirley

and also erroneously that the estate settlement documents identify certain other "senior" SHIRLEYs as brothers of Richard (1). In addition I have received correspondence and have seen other people's correspondence where it has been assumed and sometimes stated as if it were fact that certain individuals, for example, my own line Richard SHIRLEY (2) who married Elizabeth DALE and died in 1831 in Barren Co, Ky, were sons of old Richard (1) who died in Scott Co, Ky, in 1796. In my opinion these presumptions and misinformation are unfortunate and detrimental to real progress in "placing" these various unattached SHIRLEYs of generation 2 vintage.

To reiterate, although there could well have been sons involved, to my knowledge the estate settlement papers on Richard SHIRLEY (1) who died 1796 in Scott Co, Ky, name only three daughters as children (Sarah HOLDSCLAW, Susey SMITH, and Amey SHIRLEY). I, along with many others, would very much welcome proof of additional children.

I trust the Kentucky Shirleys group will make every effort to identify thoroughly the sources of information and clearly separate theory and conjecture from fact. (Sorry for the "preaching", but I feel this is a very important topic and critical, not only to Shirley-related research, but to genealogy in general.)

IV. William SHIRLEY (1) d. 1805 (?) Scott Co, Ky

Children of William (1):
1. Robert (2)
2. Rebecca (2)
3. William (2)
4. Richard (2)
5. John (2)
6. Sarah JOHNSON (2)
7. (?) George (2)

Source of Information: Will of William SHIRLEY (1)
Written 30 Sep 1799, Scott Co, Ky; proven Mar 1805(?).

Note. The will and estate settlement of William SHIRLEY (1) are complex and confusing. Elwood SHIRLEY of Lexington, Ky, who sent me a copy of the will and related papers in 1980, offers this explanation:

> Margaret appointed assistant executor Charles Johnson. This will was entered for probate 1805. Margaret did not post bond, consequently the will was not probated 1805. In 1811 Charles Johnson went to court and forced Margaret to post bond. The will was then probated. The will was recorded second time in 1811. Please note the mention of a son George in the 1811 version.

The will(s) also suggests (not certain - documents are confusing) that the following children were deceased at the time (William, Richard, John??).

V. Argeland SHIRLEY (1) d. 1818 Scott Co, Ky
m(1?) Susannah
m(2?) Esther

Children of Argeland (1):

2. Nancy SMITH (2)
3. "Edward" (2) - actually "Edmond" (will, which had been recopied, says "Edward")
4. Polly (2)
5. Betsy WRIGHT (2)
6. Jane PERRY (2)
7. William (2) - apparently the son of Argeland and Esther.

Note. Malinda ROACH identified as "wife's daughter."

Argeland SHIRLEY (1) d. 1818 (continued)

Source of Information: Will of "Arge" SHIRLEY (1) (Scott Co, Ky) written 29 Jul 1817; proven July court 1818. Will Book D - Pages 339, 340, 341, Will names "Esther" as widow and mother of William (underage in 1817). It is probable that children 1-6 were by previous wife (wives?).

Note. To me, Argeland SHIRLEY (1), who presumably is the same Arge SHIRLEY born in Northumberland Co, Va, 1756 (?), is the key figure in tracking the "senior" SHIRLEYs described here.

1. Argeland (1) is associated geographically very closely with the other SHIRLEY men of generation 1 (from South Carolina in 1790 census to Scott Co, Ky where he died 1818).

2. There is some evidence that Arge (1) and James (1) were related. The previously cited biographical sketch on the SHIRLEY family of Boone Co, Indiana (Portrait and Biographical Record of Boone and Clinton Counties, Indiana. Chicago: Bowen & Co, 1895, pg. 457?) states that Ezekial SHIRLEY (2), son of James (1), married Dulcina SHIRLEY (2) "a distant relative" and migrated from Scott Co, Ky to Boone Co, Ind. Dulcina or "Dully" (2) was the daughter of Arge SHIRLEY (1).

Section B: Generation "2" Unattached SHIRLEY Men (b. c1780's - 1790's) Associated with Barren County, Ky.

Another group of "unattached" (parents unproven) SHIRLEY men are, for purposes of this review, referred to as generation 2. All these men are believed to have been born 1780's - 1790's and three of the five married DALE women. All resided in Barren Co, Ky early.

1. Richard SHIRLEY "Jr." (2) d. 1831, Barren Co, Ky.
   m. 1816 Elizabeth DALE (dau. of Reuben)
2. Daniel SHIRLEY (2) b. c1783, d. 1823, Barren Co, Ky.
   m. 1805 Elizabeth HOWELL.
   Daniel was a Baptist minister.
3. Moses SHIRLEY (2) b. c1780 S.C., d. 1861 Hamilton Co, Ind.
   m. 1798 Warren Co, Ky. Nancy DALE (dau of Isaac)
4. Nimrod SHIRLEY (2) b. c1785 S.C. d. _?_ where?
   m. 1807 Elizabeth DALE (dau of Isaac)
5. Thomas SHIRLEY (2) b. _?_ d. _?_ where ?
   m. 1811 Barren Co, Ky to Polly CARSON

Does anyone have any hints, clues, etc. that might help establish the parentage of any of these? I can't help but believe that if we could place these people, it would help considerably in the work on earlier generations. There has been much discussion and hypothesizing regarding the possibility that one or more of these SHIRLEYS were children of old Richard SHIRLEY (d. 1796 in Scott Co, Ky, m. Dorcas _?_). However, I have seen no proof. (As mentioned before, the estate settlement of Richard d. 1796 names only the widow Dorcas and three daughters. Some of us have a hunch that there must have been male children also - - perhaps underage at the time of old Richard's death and thus not named in the estate settlement.

Source which proves children: "Estate settlement" of Richard SHIRLEY "Jr." Barren Co, Ky Circuit Court case #781, filed 17 June 1834 actually served to settle the estate.

Note. Some of you are more convinced than I that Richard "Jr" was a son of old Richard (1) who d. 1796 Scott Co, Ky. I was once more convinced than I am at present. It is probable that the "junior" (attached to Richard's name in several Barren Co, Ky records) may not have been used in the usual and present sense of the word, but instead to differentiate the "junior" from an elder person of the same name, but not necessarily the father. I know this to be the case in one instance (my other SHIRLEY line):

> The deed record naming heirs of William DALE (d. 1830's Barren Co, Ky, m Jane SHIRLEY, dau of James) names "children and heirs" including a Isaac Dale "Jr." This Isaac was definitely not a junior since his father was William. Apparently, the junior was tacked on to distinguish him from an elder Isaac DALE (young Isaac's uncle) who lived in the same area.

This could be the case with my Richard Shirley "Junior" who lived in the same county as Richard Shirley (b. c1770, son of Thomas), the latter Richard being considerably older than my Richard "Jr" (b. c1790's).

This Daniel SHIRLEY is believed to be the subject of the excerpt below:

> Daniel Shirley was another good old preacher in his day. He was probably raised up to the ministry, at an advanced age, in Blue Spring church, where he succeeded William Ratliff as pastor, about 1815. He served this church, and perhaps others, till he was called to his reward about 1823. He has a large relationship in Barren County.
>
> From: A History of Kentucky Baptists from 1769 to 1885, J. H. Spencer.(on page 113 of Vol. 2, section on Green River Assoc.)

Note. Daniel SHIRLEY (d. 1823) was believed to be the minister who performed the marriage of Richard Shirley "Jr" (m. Eliz DALE, 1816 in Barren Co, Ky) and many others during the period. He died at about 40 years of age and performed marriages by the age of about 33, probably before. He is described in the above excerpt as if he were older -- "raised up to the ministry at an advanced age."(early 30's doesn't seem advanced even for those times); maybe it was older than usual. Could there have been an elder Daniel?

9. Sarah COX(3)

Sources which prove children: estate settlements of Moses SHIRLEY and of his wife Nancy who died 1861 and 1862, respectively in Hamilton Co, Illinois.

Note. The puzzling thing about Moses (2), besides the identity of his parents, is his age and birthplace. His age in the census records consistently corresponds with a birthdate of 1780. (This is at odds somewhat with the dates of migration of the Shirley clan from Va to S.C. to Ky. - - S.C. ca 1784.) However, perhaps he either "rounded off" his age or his father made a "scouting" trip to S.C. before the actual move took place. Some report his birthplace as North Carolina. I believe it is reported N.C. in either the 1850 or 1860 census. However, the other census says S.C. and the 1880 and/or 1900 census of the Moses Shirley (b. 1812 Ky)-believed to be the son of old Moses (b. c1780) reports the birthplace of his parents to be S.C. and Va. (father is S.C.). So I vote for S.C. as the birthplace of old Moses (b1780). I have a copy of the estate settlement of old Moses (b. 1780) who died in 1861 (Hamilton Co, Ill.).

--- End of data on "unattached" SHIRLEYs (2) ----------

I'm hoping that we can turn up some information that will provide hard evidence regarding the identity of the parents of these "unattached" SHIRLEYs. I have checked out the early county court records of Scott Co, Ky (c1790 - 1805) using microfilms borrowed from the LDS genealogical library at Salt Lake City. I was hoping to find more information on Richard SHIRLEY (1) d.1796 and his family. I found a few entries, but they pertained to naming an administrator, etc. (as in the previously cited will book). As Elwood SHIRLEY mentioned once, the early Scott Co, Ky

records are a real mess. The original records were damaged/destroyed and the surviving ones recopied. However, when they were recopied much was left out, apparently because it was unreadable. The transcriber was masterful in being able to decipher all the superfluous details while leaving out critical elements such as given names (e.g. _____ SHIRLEY). For example, I think I found the entry I was looking for but some of the names are left out, as follows:

Scott Co, Ky County Court Records

Pg 98 25 Sep 1797 - order to settle estate of Richard SHIRLEY, deceased.

Pg 99 Sep 1797 - ". . . . Jno SHIRLEY for twelve years according . . . . SHIRLEY orphan of same to be bound to Benjamin . . . . for six years according to law."

This could well be the children of Richard SHIRLEY being bound out. (The ". . . ." indicates parts left out by whoever recopied the entries.) Tantalizing tidbits - - very exasperating!

One point of all this is that there is still much to be researched. In my opinion we haven't begun to exhaust the known resources. I think success will depend on a lot of page by page searching of a variety of records - - not only of the "target" counties, but of surrounding counties. For example, Scott Co, Ky only became Scott Co. about the time the SHIRLEYs moved there from S.C. (early 1790's). Before that I believe it was part of Woodford Co, Ky. Do the early Woodford Co, Ky records have anything to offer?? Also, in my experience many of the early records are not indexed or are incompletely indexed or misindexed, etc. I don't think a scan of the indexes (if they exist)is adequate.

I think if enough of us get involved and not sit back

2/8/86

waiting for someone else to solve the puzzle (as I have been guilty of doing sometimes), we can learn a lot more. Who knows what is hidden somewhere in some obscure land record, court record, or military pension record?

gan to learn the trade of a carriage-maker; his early education was limited to the common schools, where he laid the foundation for a good business education, which he afterward improved by application to business and home reading, until his nineteenth year, when he entered the Edmonton Male and Female Academy, where he studied for sixteen months with Prof. J. Tom Williams. After leaving school he resumed work at his trade, and opened up a business on his own account, which he has followed successfully to the present time. In 1882 he engaged in the grocery and hardware trade in connection with his other business, but discontinued the grocery trade in 1883. Mr. Eubank is a member of the Presbyterian Church. In politics he is a Republican; was appointed county commissioner in 1881, which office he now fills with honor to himself and to the satisfaction of his constituents.

JUDGE DAVID FAULKNER was born in what is now Metcalfe (then Barren) County, Ky., September 10, 1828, and is the second of five children born to David and Permelia (Shirley) Faulkner, the former of whom was a native of what is now Bourbon County, Ky., and the latter of what is now Metcalfe County, Ky. They were of Scotch and English descent, and were born in 1789 and 1793, respectively. When only some five or six years old David Faulkner, Sr., removed with his parents to what is now Marion County, Ky., where he received such an education as could be obtained at the old field or subscription schools of the Kentucky frontier. At the age of fifteen he commenced to learn the blacksmith's trade, and served an apprenticeship of five years. He continued to follow his trade for many years, part of the time in connection with farming. In 1812 he removed to Metcalfe, then Barren County, Ky., where he bought a farm upon which he resided until his death, which occurred July 19, 1849. Of him it could truly be said that he was the architect of his own fortune; commencing with nothing, by industry and economy he amassed a handsome property, owning at one time well improved farms amounting to about 1,000 acres. He and wife were for many years devoted members of the Baptist Church. The death of Mrs. Permelia Faulkner occurred November 25, 1855; her father, James Shirley, was a Revolutionary veteran, serving under Gen. Washington (with whom he attended school), through the entire struggle of seven years, participating in many battles, and was present at the surrender at Yorktown. He was once severely wounded. Judge David Faulkner received a fair common school education in youth; has very materially added to his early training by his own exertions since he became a man, having acquired an excellent scientific and mathematical education. He is also a man of wide and varied general information, having been a close and careful reader all his life. He was employed on his father's farm until he attained his majority, after which he engaged in agricultural pursuits on his own account and has continued the same ever since. In 1857 he commenced teaching and taught in connection with farming for some eighteen sessions. In 1870 he was appointed deputy sheriff, serving two years, and in 1873 was appointed deputy collector for Metcalfe County. In 1875 he was again appointed deputy sheriff and served about eighteen months. He was then elected constable for District No. 2, serving two years, and in 1878 was elected county judge for Metcalfe County, which office he now holds. For many years he was a captain in the old State militia. On the 31st of October, 1850, he married Nancy J., daughter of Aaron and Sallie (Jewell) Hiser, natives of Tennessee and Indiana, respectively. Mrs. Nancy J. Faulkner was born in Metcalfe County, Ky., February 17, 1832. Ten children blessed this union, only six of whom—five sons and one daughter—are now living, viz.: John F., William A., James A., Benjamin G., David N. and Martha J. E. Mr. Faulkner and wife are, and have been from early life, devoted members of the Missionary Baptist Church, in which church he has officiated as deacon for many years, and has also held other official positions. He is also a member of the Masonic fraternity, having been W. M. of his lodge for a number of years. In politics he is a Republican, and is one of the prominent and respected citizens of the county.

REV. JOSEPH FERGUSON was born February 14, 1830, in Cumberland, now Metcalfe County, Ky. His father, Archibald Ferguson, was born in 1805 in Bedford County, Va. At the age of seventeen or eighteen years he removed to Franklin County, Va., and in his twentieth year, with his parents, to the State of Kentucky. He was a son of Joseph Ferguson, who was of English descent. Archibald Ferguson was married December 6, 1827, to Frances, daughter of William and Margaret (Campbell) Smith. From this union sprang Margaret C. (Shaw), our subject, William S. (deceased), Sarah H. (Owens), Nancy (Amyx, deceased), John, Mary (deceased) and Alfred. Rev. Joseph Ferguson was married, October 18, 1849, to Louisa J., daughter of John and

bd. Union Church Cemetery, Sherman Twp., Putnam Co.

Information pertaining to vital statistics has been gleaned from the obituary index of the Putnam County Library; those of Joseph and his wife are dated 4 Dec. 1895 and 8 May 1912. Joseph's middle initial is from his daughter Etta's obituary. Joseph and Sarah moved to Putnam County in 1858 with brother Samuel and sister Rebecca. These brothers and Rebecca's husband all went to Indiana in 1861 to volunteer their service, returning in 1868. In June of 1869 he wrote to his cousin in Indiana and closed by asking that letters be directed to the Genoa (Monroe Twp., Wayne Co., IA) roadway; as he spoke of land a mile and one-half from St. John (western Sherman Twp., Putnam Co., MO — but slightly over five miles southwest of Genoa), it is quite possible that he was actually living in Missouri at the time and receiving his mail in Iowa. The family belonged to the Union Christian Church until moving into Unionville, but Sarah Ann had been "converted" at the Abneas Creek Baptist Church in Hendricks County in 1868. Joseph's death in 1895 was caused by "consumption." I do not at present have contact with this branch of the family, and so can add little in the way of "personal" sketches.

2-1. Wm. Henry
b. 11 Feb. 1855, "in Indianapolis"
m. Malissa Ellen Pearson, 2 June

1875, Putnam Co., MO
d. 25 Aug. 1935, Putnam Co.
bd. Unionville Cem., Unionville, MO

In 1900 he was living in Unionville and working as a saleman; in 1910 was living in Wilson Twp. and working as a blacksmith. In 1912 he was living at Cherryvale, NM, where his youngest son died in the influenza epidemic of 1918. The family apparently moved to Unionville, the county seat, around the mid-1880s.

2-2. Mary Jane
b.c. 1858, IN
m. Abner L. Meeker, 2 Dec. 1875, Putnam Co., MO
d. before 1900

Mary Jane had been listed as a teacher in the 1880 census. She is presumed to have died before 1900, as in that census her mother reported only four of her children living at the time (#'s 1,3,4 & 6).

2-3. James Alva ("Jim")
b. 17 April 1861, "near Indianapolis"
m. Mary Ann Morgan, 2 July 1880, Putnam Co., MO
d. 31 Oct. 1935, Putnam Co., MO
bd. Union Church Cem., Sherman Twp., Putnam Co., MO

James was a blacksmith. His son Oscar was born at Goshen, in Mercer County, on July 6, 1889, but James moved to Unionville in 1892 after his last son was born in Putnam County on Nov. 23, 1891. He married, secondly, Elizabeth Allie Frost on Sept. 18, 1894. His first wife and his eldest son Joseph Lee died of "consumption," while his youngest son died of whooping cough as an infant. Two other children by the first marriage have not been identified. Three of five children by the second marriage survived to adulthood.

2-4. Rebecca Angeline
b. 29 June 1865, Hendricks Co., IN

d. 7 Oct. 1909, Newtown, MO
bd. Newtown Cem., Sullivan Co., MO

Rebecca's first husband died June 25th, 1933, so it is assumed that their marriage ended in either a divorce or an annulment. He was a carpenter, and had had children from a previous marriage. Harlan was a laborer for the railroad, and they were living in Putnam County's Medicine Township (near Lucerne) where the Chicago, Milwaukee & St.

Rebecca Caroline [illegible] [illegible] [illegible] (1877), [illegible] it is [illegible] that [illegible] married [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] living in Putnam County's [illegible] [illegible] [illegible] [illegible] the [illegible], [illegible].

Paul RR passed at the time of the 1900 Census. They must have moved almost immediately, however, because Rebecca's obituary noted that she had lived at Newtown "ten years or so" when she died of "consumption" in 1909. Harlan was living in Sullivan County's Clay Twp. in 1910, but had departed for Tama, Iowa in 1913. Their eldest son was a railroad telegrapher who probably moved with his father. A daughter, Myrtle Anna, married Rev. James P. Wilson within three months of her mother's death. He was the minister of the Newtown Baptist Church and the publisher of the Newtown "Chronicle." They later lived in Trenton, Princeton and Cainsville, but apparently did not have contact with Mercer County cousins.

2-5. Jesse E. b.c. 1868 (from Census)

2-6. Etta Evelyn b. 16 Oct. 1870, Sherman Twp., Putnam County, MO
m. Ora D. ("Ode") Cook, 1 Dec. 1889, Putnam Co., MO
d. 12 July 1953, Putnam Co., MO
bd. Unionville Cem., Putnam Co.

Etta lived her life in Putnam County except for "a few months on a farm near Princeton." As her nephew Oscar was said to have been born at Goshen in 1889, this would seem to indicate that the family left Sherman Township about that time to try farming land near the family of the late Samuel Shirley, Joseph's brother. This may have been a last effort to farm successfully, as several took up the blacksmith's trade upon returning to Putnam County at Unionville.

2-7. Amanda A. b.c. 1874

Information on the approximate date of death comes from notes on the family history made in recent years by her cousin-once-removed, Gertrude Shirley.

m. William Hunter, 10 May 1860
d. 29 Mar. 1879, aged 43y, 3m, 14d

They had no children of their own, but took in (E)utoka Williams, niece of Bett's sister-in-law Mahala Jane Shirley, after Utoka's mother died and her father remarried. In 1880, Bill Hunter is shown as head of the household in the Census, with his widowed sister Lucinda

keeping house and Eutoka listed as adopted. Who says the "blended" family is a product of modern times? Later Mr. Hunter remarried to Sarah Jane Wolfe, who treated Utoka meanly and perhaps helped bring about her marriage at an early age to Thomas Clark, son of Levi Clark (who was later married to Lucinda Shirley, former wife of Frank Carter) and his first wife Lavina Dunn.

4. Samuel

b. 10 May 1837, Hendricks Co.
m. Mahala Jane Williams, 22 Jan. 1857
d. 22 Sept. 1876
bd. Goshen Cem., Harrison Twp., Mercer Co., MO

This couple and their eldest son are shown living in Putnam County, Misouri in the 1860 U.S. Census. At that time the township was called Breckenridge. We may assume that Nancy had died by that time, and that Mary F. was not yet born. Samuel served with the 29th Indiana Infantry during the Civil War, and was discharged on 15 May 1865 after service in Tennessee in 1864-65. Family lore has it that he suffered from measles and other illnesses during the war and spent the remainder of his life crippled with lung problems to the point that he could not sleep indoors because to do so left him short of breath. Accordingly, the family lived in Iowa during the summer and Warsaw, Missouri during the winter (where it was somewhat temperate during the coldest months), moving each Spring and Fall by wagon. Even in winter, Samuel slept in the wagon while the family slept in a rented house. The truth is probably that he had tuberculosis, and could not share sleeping quarters with his family for fear of infecting them. I base this on the fact that his brother Joseph had TB, along with several members of his family. Mahala's family moved east of Goshen, in Mercer County, around 1873, and it is possible that the Samuel Shirley family followed them there in an attempt to care for Samuel, who --although he is buried there-- would have lived there for less than three years before his death. The Shirley land adjoined the Riley Williams land (her father's), all being in Section 36 of Range 25 West, Township 65 North. After Samuel's death, when eldest son William Riley was married to Margaret Slover and their first child was a year old, widow Mahala Jane "scandalized" them by marrying Margaret's widowed father, Raleigh D. Slover, and having a last child of their own --born less than a month before William R. and Margaret's second child. This Slover boy was thus a double uncle to the Shirley girl of the same age! It is noted that Raleigh Slover joined the Goshen Christian Church about this time, and it may be that the closeness of the Shirley, Williams and Slover families was as much as anything due to their common church. Samuel Shirley is buried at Goshen Church (as is his wife, but

under her last married name, Slover), the Putnam County Shirleys first belonged to a Christian Church and the Williams family were among the pillars of this church (having, however, been Baptists in Indiana).

4-1. William Riley b. 28 Nov. 1857, Gentry Co., MO, near Albany
m. Margaret Loretta Slover, 22 Feb. 1880, at Goshen, MO
d. 9 Oct. 1939, Lindley Twp., Mercer Co., MO
bd. Bethel Cem., Lindley Twp.

Will Shirley moved from the Goshen area to Lindley Township in order to have land of his own to farm. His sister-in-law Pernita (Slover) Larason, wife of George Mahlon Larason since 1875, had earlier moved to the Adel area and was, through her husband, the source of this new opportunity. The Will Shirleys had lived near the High Point M.P. Church, the children attending the High Point School. About 1898 they moved to the Saline neighborhood. It may be presumed that these moves, first west and then northwest of Goshen, removed the family even further from the origins of the family in Putnam County and Wayne County. Will Shirley had been responsible for earning a living for his father's family in the last years of Samuel's life, which he did by clerking in stores and even by prizefighting. His approach to life in his mature years appears to have been heavily influenced by the experience of hard times.

Will Shirley was a shrewd farmer who lived modestly and reinvested his profits in his farm. Unlike many of his neighbors, he was not often hurt by what we know today as recessions and tight money. He was a lender rather than a borrower, and while others might lose their land to him through foreclosure it was unlikely that the same fate would ever befall him. Given the uncertainties of the times, this was a regular or even cyclical occurance, and it meant that while others were leaving the farm and moving to the cities in search of work, the W.R. Shirley family was able to survive the lean years and stay on the land. The conservative principles of farm management did, nevertheless, have their effect upon the home life of the family. Will did not see the necessity of the automobile for some time, and when he finally purchased a car he made it clear that it was for his use only -- not for the use of his son (who first drove at age forty!) and certainly not for his daughters. Above all, the family could not lose sight of its dependence on the land; no "frills" were welcome or would be tolerated. Will and Maggie lived full lives but stayed close to their neighbors and family. Daughter Gertrude Shirley continued this tradition, and lived in her parents' home until Fall, 1980. Since the

turn of the century, the family has been associated with the Bethel M.E. Church, now the Bethel United Methodist Church. Many family members are buried in the church cemetery.

4-3. Mary Frances   b.c. 1860, Putnam Co., MO
m. James Alonzo ("Lon") Larason
d. 20 Sept. 1884
bd. Goshen Cem., Harrison Twp.

Her husband was a brother of George Larason of the Adel neighborhood of Mercer County; George was married to Will Shirley's sister-in-law. After Mary's death, J.A. married secondly Sedotha Melton and lived near Mt. Moriah, in Harrison County, MO. Their family was said to be living near Modena in Dec. 1902.

4-4. Erastus Harvey   b. 22 Sept. 1862, IN
m. Harriet Weston, June 1884
d. 13 May 1920, Harrisburg, CO
bd. Girdner Addition of Princeton Cem., Princeton, MO

According to one account, he moved to Putnam County at age four, and to Mercer County at age ten. This may reflect the order of residence correctly, if not the dates. Rastus and Hattie were living in the Adel neighborhood in 1896. Their children attended the Cavanaugh School. The family moved to Watonga, Oklahoma in the Fall of 1907, but were back in the county living five miles southeast of Princeton in 1912. In 1915, Rastus became the local agent for Overland automobiles, along with Dr. F.R. Fullerton. Apparently this was not successful, for the Shirleys left for Colorado around 1918. Hattie moved to Denver after the death of her husband, and was again married, in March of 1929, this time to William H. Black.

Despite his entry into automobile dealership, Rastus had been an active farmer. A newspaper item after his return from Oklahoma notes that he built a barn with a cement foundation and remodelled the house in which they were living. When he "quit farming" for the automobile business in October of 1914, he listed the following assets in his auction notice: a farm (to be rented), five head of horses, 37 head of cattle (mostly "white faces"), 49 head of hogs (Poland Chinas), and the usual set of farm implements. The farm was one mile west of Powell Chapel, southeast of Princeton.

m. John William Slover, 26 Nov.

d. 30 Aug. 1907
bd. Bethel Cemetery, Lindley Twp., Mercer Co., MO

John Slover was a nephew of Lovey's sister-in-law Margaret Slover Shirley, and also a grandson of Lovey's step-father Raleigh Duncan Slover. John and Lovey lived in Lindley Township about four miles northeast of Saline, MO. In addition to farming, he served as a road overseer for the township. When Lovey died as a result of complications arising from the birth of their seventh child (who died also, at birth; a day earlier), John was so overcome with grief that he had to be physically restrained from suicide. He had attempted to consume chloroform and carbolic acid. During the funeral daughter Nellie repeatedly fainted. John left to live in Yuma, Colorado in 1916. He and his wife are buried with their unnamed infant in the Bethel Cemetery.

d. 25 July 1948, Nevada, Vernon Co., MO
bd. Newton Cem., Nevada, MO

John married Etta after she came back to Mercer County on a visit from her parents' home in Oklahoma. Etta was a niece of John's sister-in-law Margaret Slover Shirley, being the daughter of Mitchell and Martha Clementine (Slover) Malone. She died in May of 1899, and is buried in the Goshen Cemetery, as she and John had lived near there. At first there was no headstone, but one was placed later in the approximate location (on the basis of the relationship of the gravesite to a nearby tree). Grandmother Mahala Jane raised their two daughters until they went to Oklahoma to be with their Malone grandmother. John, meanwhile, had married the much younger Annie Henderson and had moved to Nevada, Missouri by the summer of 1900. They had four children of their own, and were living in St. Clair County from at least 1905 to 1915, returning to Vernon County near Schell City by 1918.

Sarah Ann may have died closer to 1880 than to 1900; her grandniece Gertrude Shirley recorded only that she lived and died in "Indianapolis." The 1880 Census records that she was suffering from "dispepsia." Her husband was a Pike Township farmer at that time, but was shown as a day laborer in the 1900 Census, living in Center Township of Marion County at 2136 North Rural Street.

DEED NAMING HEIRS OF JAMES SHIRLEY (#480)

from James Howard Young 3-23-1979

J.H. Young, searching the Barren Co. Ky Courthouse, found a group of papers labeled ‘‘unrecorded deeds.’’ In these papers was a deed dated 1832, in which the heirs of James Shirley were selling James’ original 200 acres of land to Presley N. and Malinda (Shirley) Thomas. It named the following as the heirs:

Jessie Shirley of Ill.
Ezekiel Shirley of Ind.
5 children of Robert Shirley dec.
Caleb Shirley of Ind.
William and Jane Dale
Malinda Thomas
Permelia Faulkner

Can we accept his word about this document and what it says? Or do we need a copy? Perhaps Elwood has one--I’ll write him about it. I think this should be added to the list of references after James #480.

And on the subject of James’ references, what does the second reference mean? ‘‘a James md. ‘Mary McMekin’ ’’ Where did that come from? I don’t understand Mary McMekin in quotes.

In this same letter, J.H. Young says he believes Robert was older than Ezekiel for some reason.

RICHARD SHIRLEY (#2749) AND DORCAS ______

from Guy Perry III - 8-29-1981

1790 - Census shows Richard and 1 male over 10 yrs; 5 males under 10 yrs. old; 3 females which would be a wife and two of his three daughters. (Sarah was probably already married to Henry Holsclaw as the same census lists him with 2 males under 10 yrs. and 2 females--wife and daughter)

1792 - Dorcus Cullins was baptised into the Turkey Creek Baptist Church, Abbeyville, S.C.

1794 - ‘‘Sister Shirley’’ died

Undated - ‘‘Dorcas Shirley’’ signed the church oath.

1795 - Turkey Creek Church released Shirley group to go to Kentucky.

1796 - Richard Shirley died Scott Co, Ky. leaving widow Dorcas, three daughters and un-named heir(s)

IF - Richard’s first wife died and he married Dorcas soon after, she could have had one of his children sometime 1794 - 1796. Richard Jr.?

JAMES SHIRLEY (#480, p.12)
Add to sources of information, NSDAR Nat’l No. 636948, application to DAR for membership by Elizabeth Bistline, proving Mary McMekin is the wife of James Shirley.

Betty Shirley has been sitting on the fence about this. Some Ass’n members are upset, because it raises questions about Ezekiel’s mother, and possibly Robert’s. Mary is no doubt his second wife. But DAR is too sticky about proof to be ignored. They check and double check. It’s about as close to the truth as we can get.

Second Generation Disconnected Shirleys

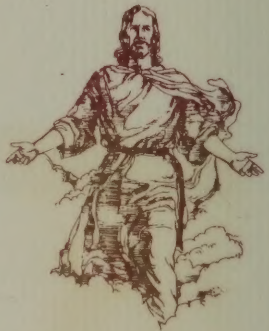
Rest In Peace



The Lord is my shepherd: I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I shall dwell in the house of the Lord for ever.
